5. Transaction classification (Foreign vs Local)
 - a. Local deals involve the acquisition or disposal by a company headquartered in an African country (other than South Africa) or an asset that is based in an African country (other than South Africa).
 - b. Example : A UK-based firm buys a gold mine in Ghana. This is a local deal as the asset is based in Ghana, regardless of who made the purchase or sale.
 - c. Foreign deals are recorded when a company being acquired is based in a non-African country, but has subsidiaries/assets in one or more African countries and the sale agreement requires local input to complete the deal – e.g. competition clearance.
6. Advisory credit
 - a. Firms advising on local deals will get both deal value and deal flow credit.
 - b. Local advisory teams will get deal flow credit for foreign deals.

- c. If the advisory firm's role is not listed on the company announcement, proof must be submitted to DealMakers AFRICA.
 - d. If an advisory firm advises both parties to a deal, advisory credit will only be given once.
 - e. Advisors to advisors will not be credited other than in the case of bookrunners to IPO's, rights issues and listings.
 - f. Companies with offices in multiple countries – deal credit will be awarded under the local entity trading name, but the rankings for the region will be made under the group global name (this applies only to regional group offices and not to member affiliations).
7. Additional notes :
- a. Deal values are recorded in the currency announced and converted to US\$ for ranking purposes using the exchange rate on the recorded date.
 - b. Schemes of arrangements/offers will be included at the maximum consideration until such time as the results are released, at which point the database will be updated.
 - c. Acquisition or disposal of properties by property companies – only deals with a minimum value of \$10m will be included for ranking purposes (smaller deals will be included for information purposes only and to showcase the advisory firms scope of work, but will not count towards the rankings).
- d. Debt/funding transactions – only transactions valued at \$20m and above will be included for ranking purposes (smaller deals will be included for information purposes only and to showcase the advisory firms scope of work, but will not count towards the rankings).
 - e. Any deal that has failed, will be recorded in the tables for information purposes only and will not be included for rankings.
 - f. Advisory firms are asked to submit their list of deals by the end of the first week after the close of each quarter. These lists will be checked against our databases and any queries or discrepancies dealt with. Firms will be asked to check and sign off on a final list of transactions credited to them before publishing.
8. DealMakers AFRICA does not accept responsibility for any errors or omissions.
